

Arthritis/Osteoarthritis

Do you suffer or think that you might suffer from arthritis or osteoarthritis? Here are some warning signs:

- morning stiffness lasting more than 30 minutes
- pain in three or more joints at the same time
- joint pain lasting all night
- pain in the same joints on both sides of the body

Come by and meet our nurse to get important information on arthritis and osteoarthritis!

And while you are here, pamper your hands with a **FREE** treatment in warm paraffin.

You will feel the benefits immediately!
